Roblox is an online game platform and game creation system that allows users to program games and play games created by other users. Created by David Baszucki and Erik Cassel in 2004 and released in 2006, the platform hosts user-created games of multiple genres coded in the programming language Lua. For most of Roblox's history, it was relatively small, both as a platform and a company. Roblox began to grow rapidly in the second half of the 2010s, and this growth has been accelerated by the COVID-19 pandemic. Roblox is free to play, with in-game purchases available through a virtual currency called Robux. As of August 2020, Roblox had over 164 million monthly active users, including more than half of all American children under 16. Although Roblox has received generally positive reviews from critics, it has faced criticism for its moderation, microtransactions, and exploitative practices directed toward children. DELURU: Defending the tradition, Youth Congress president Omar Abdullah Saturday told the Cauvery Neeravari Committee (CNC) that the Cauvery river is not a lifeline for irrigation but it is the staple for drinking. Addressing the meeting at the sanctum sanctorum of the Church of South India at Reddiyar is about 25km from here, the former chief minister was of the

opinion that there is no need to worry for the protection of the Cauvery river. Omar's remarks came a day after Cauvery Neeravari Katchi MP P Sreemol Jeyachandran raised a petition in the state assembly against the previous state government for inaction on the issue. "Why has the state government not done anything for so long? And for the last 12 years, Karnataka has not complied with the Supreme Court's order. Can you
